

Rochdale Council is starting FAST testing for frontline workers and those who cannot work from home eg construction and manufacturing workers. Please share this information with your staff, family and friends. Anyone who cannot work from home or comes into regular contact with the public is encouraged to take up this offer to protect themselves, their loved ones, and other residents.

There are sites across the borough and they open at **8am Monday 18 January**. They will then be open 8am to 8pm Monday to Friday and 10am to 4pm at weekends. People are encouraged to get tested every week to provide greater protection to themselves and others.

- Rochdale – Nye Bevan House , Maclure Road, Rochdale (near the tram and train station)
- Heywood – Heywood Sports Village (both a walk in site and a drive through site)
- Middleton – Bowlee Sports Centre , Windermere Road, Middleton
- Pennines – *location and opening date to be confirmed shortly*

This FAST testing is only for people who do **not** have symptoms of covid-19. They are free and there is no need to book on.

If staff are showing symptoms then they should book for a covid-19 test via the NHS website or ringing 101.

Regards

Carol and the RDA Team
